㉙ Completely blocked	Approx. 10:30 - 15:15

Please see the reverse side for information on the finish area.

The traffic regulation hours include the time when detours are enforced on roads near the course before the regulations are put into place.

Your cooperation in ensuring a safe and smooth operation is greatly appreciated.

Drivers on roads near the course may be requested to stop for extended periods while traffic signals are adjusted before and after the traffic regulations. Please refrain from driving on the day of the marathon. Detours should be used only if driving is absolutely necessary.

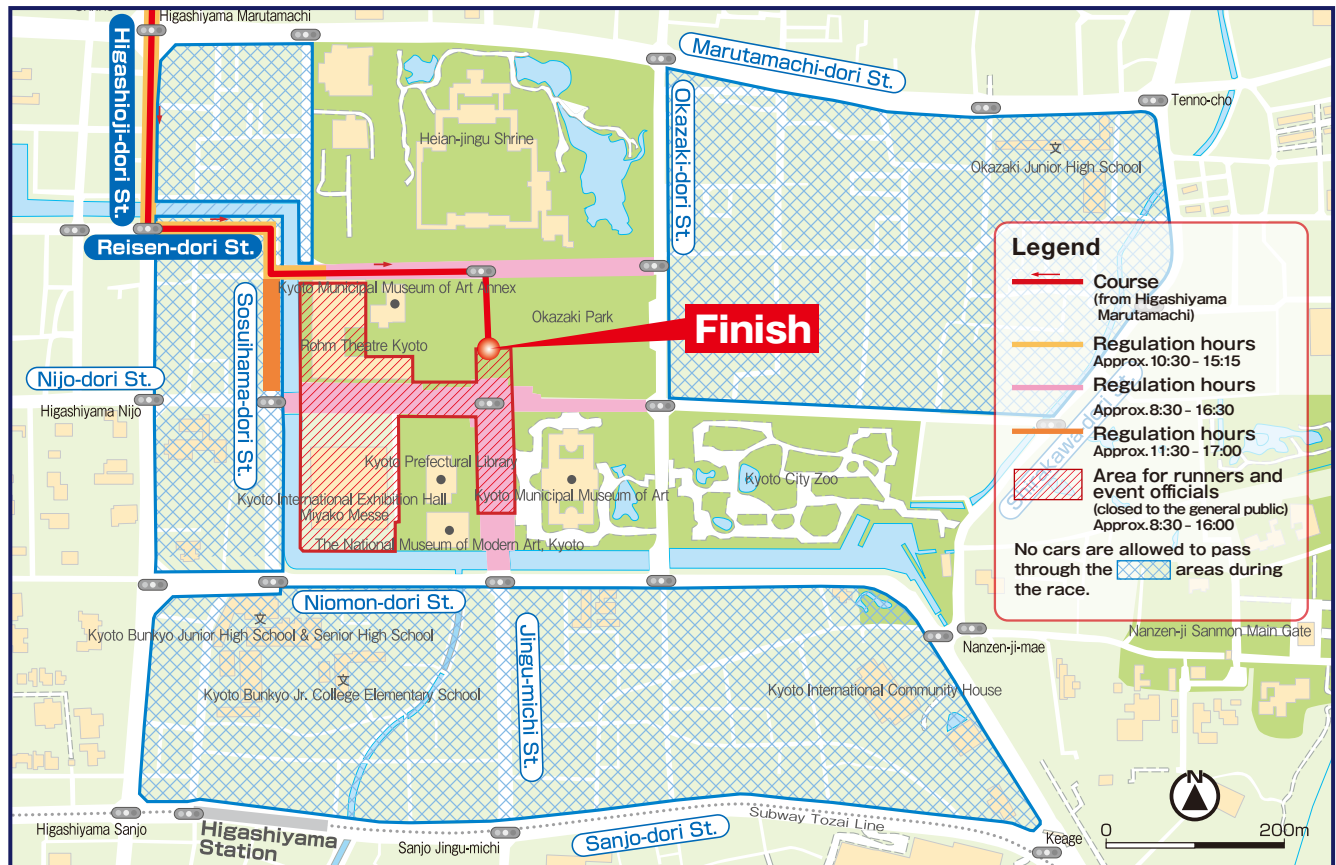

Neither cyclists nor pedestrians are allowed to cross the course. Pedestrians are advised to use footbridges or subway underpasses.

Finish area. Plans for traffic regulations, etc.

※The hours may change depending on traffic conditions.

Hours of the traffic regulations
Approx. 8:30 - 17:00

While the Kyoto Marathon is held, the schedules of fixed-route buses other than the above may be changed, or services may be suspended. Travel time may be longer than usual due to traffic congestion in Kyoto City. Your understanding is appreciated.

The Civil Aeronautics Act prohibits the use of drones and other unmanned radio-operated flying objects at places where many people gather, such as at start/finish areas and roadsides along the marathon course. To ensure a safe and smooth operation, your baggage may be inspected at start/finish areas, etc. Your cooperation is appreciated.
